The Neighborhood Center

The Neighborhood Center is a non-profit organization established in 2002 in the 400 block of 7th Street. The entrance is in the back of the building in the Trexler Child Development Center.

Our mission is to keep kids off the streets of Allentown and transform the lives of the children and their families in the seventh street community through education, leadership and encouraging positive choices. Our programs and services are free of charge to those who attend.

Our school-year and summertime programs help kids to build the skills they need to be successful at home, in school and in the community.

Your child's safety is our primary concern. Our programs are run by a dedicated team of trained professionals and committed volunteers. Staff and volunteers undergo all required background checks.
